2. PROPOSED JULY 2025 SHARE ISSUANCES

2.1. Payment of ECA Professional Fees

ECA is the Company's continuing sponsor. ECA is a capital markets services licensee for dealing in capital markets products and advising on corporate finance and is authorised as a full sponsor by the SGX-ST.

ECA had, as the continuing sponsor of the Company, performed its duties in relation to the 17 May 2025 Announcement and the 26 May 2025 Circular which contemplates the Proposed Yuan Shares Issuances (as defined therein), the Proposed ECA Shares Issuances (the "**May 2025 ECA Shares Issuances**"), the Proposed Ali Shares Issuances (as defined therein), the Proposed Icon Shares Issuances (the "**May 2025 Icon Shares Issuances**"), the Proposed Change of Name (as defined therein), Proposed Business Diversification (as defined therein), the Proposed EFM CN Subscription (as defined therein) and the other accompanying matters contemplated therein (the "**May 2025 Proposed Transactions**").

Pursuant to the ECA July 2025 Agreement, the Company shall allot and issue 1,052,355 ECA Shares at the issue price of S\$0.019 per ECA Share (the "**ECA Issue Price**") to ECA, as consideration for the payment of the professional fees in connection with the May 2025 Proposed Transactions.

The ECA Issue Price represents a 9.5% discount to the volume-weighted average price of the Company's Shares on 9 July 2025 of S\$0.021, being the full market day on which Shares were traded on the date of the ECA July 2025 Agreement. The ECA Issue Price was arrived at after taking into consideration the prevailing market conditions and the recent share prices of the Company.

The ECA Shares shall be issued free from all claims, pledges, mortgages, charges, liens and encumbrances and shall rank in all respects *pari passu* with the then existing issued shares of the Company at the time of the issue except that the ECA Shares will not rank for any dividends, rights, allotments or other distributions, the record date for which falls before the date of issue of the ECA Shares.

The ECA Shares represent approximately 0.06% of the existing share capital of the Company of 1,690,758,836 Shares (the "**Existing Share Capital**") and approximately 0.06% of the enlarged share capital of the Company immediately after the completion of the May 2025 Proposed Transactions (excluding the Yuan Performance Bonus Shares to be allotted and issued in the event that the relevant performance targets have been achieved) and the Proposed July 2025 Share Issuances.

ECA will be allotted and issued a total of 3,683,241 Shares pursuant to the May 2025 ECA Shares Issuances and the Proposed July 2025 Share Issuances, representing approximately 0.21% of the enlarged share capital of the Company immediately after the completion of the May 2025 Proposed Transactions (excluding the Yuan Performance Bonus Shares to be allotted and issued in the event that the relevant performance targets have been achieved) and the Proposed July 2025 Share Issuances.

The rationale for the Proposed July 2025 ECA Shares Issuance is for the payment of the ECA Professional Fees and accordingly, no cash proceeds will be received by the Company from ECA.

There is no moratorium imposed on the ECA Shares. The allotment and issuance of the ECA Shares will not result in a transfer of controlling interest of the Company. There are no share borrowing arrangements for issuance of the ECA Shares.

As at the date of this announcement, save for the 4,132,231 Shares held by ECA and the 2,630,887 Shares to be allotted and issued to ECA pursuant to the May 2025 ECA Shares Issuances, and save as disclosed above, ECA does not hold, directly or indirectly, any Shares and ECA does not have any connections (including business relationships) with any Director or substantial shareholder of the Company.

ECA has confirmed that, save for the 4,132,231 Shares held by ECA, it, or its partner or director, or associate of such partner or director, does not, individually or collectively, hold, directly or indirectly, any Shares. ECA further confirms that it is independent of and has no conflicts of interest with the Company.

To the best of the Company's knowledge, ECA is not related to the Directors, controlling shareholders of the Company, or their respective associates. To the best of the Company's knowledge, save as disclosed above, ECA does not have any connection (including business relationship) with the Company, its Directors and substantial shareholders, and ECA does not fall within any of the categories the Company is prohibited from issuing Shares to, as provided for by Rule 812 of the Catalyst Rules.

2.2. Payment of Icon Professional Fees for the Proposed EFM CN Subscription

The Company has appointed Icon Law as the legal adviser to the Company for the Proposed EFM CN Subscription (as defined in the 17 May 2025 Announcement and the 26 May 2025 Circular). Icon Law is a law firm based in Singapore.

Based on the Icon July 2025 Supplemental Agreement, the Company shall allot and issue 473,560 Icon Shares at the issue price of S\$0.019 per Icon Share (the "**Icon Issue Price**") to Icon Law, as consideration for the payment of the professional fees in connection with the Proposed EFM CN Subscription.

The Icon Issue Price represents a 9.5% discount to the volume-weighted average price of the Company's Shares on 9 July 2025 of S\$0.021, being the full market day on which Shares were traded on the date of the Icon July 2025 Supplemental Agreement. The Icon Issue Price was arrived at after taking into consideration the prevailing market conditions and the recent share prices of the Company.

The Icon Shares shall be issued free from all claims, pledges, mortgages, charges, liens and encumbrances and shall rank in all respects *pari passu* with the then existing issued shares of the Company at the time of the issue except that the Icon Shares will not rank for any dividends, rights, allotments or other distributions, the record date for which falls before the date of issue of the Icon Shares.

The Icon Shares represent approximately 0.03% of the Existing Share Capital and approximately 0.03% of the enlarged share capital of the Company immediately after the completion of the May 2025 Proposed Transactions (excluding the Yuan Performance Bonus Shares to be allotted and issued in the event that the relevant performance targets have been achieved) and the Proposed July 2025 Share Issuances.

Icon Law will be allotted and issued a total of 999,737 Shares pursuant to the May 2025 Icon Shares Issuances and the Proposed July 2025 Share Issuances, representing approximately 0.06% of the enlarged share capital of the Company immediately after the completion of the May 2025 Proposed Transactions (excluding the Yuan Performance Bonus Shares to be allotted and issued in the event that the relevant performance targets have been achieved) and the Proposed July 2025 Share Issuances.

The rationale for the Proposed July 2025 Icon Shares Issuance is for the payment of the Icon Professional Fees and accordingly, no cash proceeds will be received by the Company from Icon Law.

There is no moratorium imposed on the Icon Shares. The allotment and issuance of the Icon Shares will not result in a transfer of controlling interest of the Company. There are no share borrowing arrangements for issuance of the Icon Shares.

As at the date of this announcement, Icon Law does not hold, directly or indirectly, any Shares and Icon Law does not have any connections (including business relationships) with any Director or substantial shareholder of the Company.

Icon Law has confirmed that, save for the 10,000,200 Shares held by the managing director of Icon Law and the 526,177 Shares to be allotted and issued to Icon Law pursuant to the May 2025 Icon Shares Issuances, it, or its partner or director, or associate of such partner or director, does not, individually or collectively, not hold, directly or indirectly, any Shares. Icon Law further confirms that it is independent of and has no conflicts of interest with the Company.

To the best of the Company's knowledge, Icon Law is not related to the Directors, controlling shareholders of the Company, or their respective associates. To the best of the Company's knowledge, save as disclosed above, Icon Law does not have any connection (including business relationship) with the Company, its Directors and substantial shareholders, and Icon Law does not fall within any of the categories the Company is prohibited from issuing Shares to, as provided for by Rule 812 of the Catalyst Rules.

2.3. Authority for the Proposed July 2025 Share Issuances

The ECA Shares and the Icon Shares will be allotted and issued pursuant to the General Mandate obtained from Shareholders by way of an ordinary resolution at the FY2024 AGM.

The General Mandate authorises the Directors to allot and issue new Shares not exceeding 100% of the total number of issued Shares (excluding treasury shares) as at the date of the FY2024 AGM, of which the aggregate number of new Shares of the Company to be issued other than on a pro-rata basis to all existing Shareholders shall not exceed 50% of the total number of issued Shares (excluding treasury shares).

As at the FY2024 AGM, the Company had an issued and paid-up share capital (excluding treasury shares and subsidiary holdings) of 1,690,758,836 Shares. Pursuant to the 17 May 2025 Announcement, the Company will be allotting 6,157,064 new Shares under the General Mandate, for the General Mandate Issuances (as defined in the 17 May 2025 Announcement), which the Company will be applying for the listing and quotation of such new shares together with Proposed July 2025 Share Issuances. Accordingly, the maximum number of Shares that may be issued other than on a pro-rata basis pursuant to the General Mandate after May 2025 Proposed Share Issuances is 839,222,354. Further details on the 6,157,064 new Shares to be allotted and issued under the General Mandate are set out in the 17 May 2025 Announcement and 26 May 2025 Circular.

Save for the 6,157,064 new Shares to be allotted and issued under the General Mandate, there are no Shares that have been previously issued under the General Mandate. Accordingly, the proposed allotment and issuance of the 1,052,355 ECA Shares and 473,560 Icon Shares amounting to a total of 1,525,914 new Shares, falls within the limit of the General Mandate.
